*“The only limitations we have are self-imposed.
Other than that, no one and nothing stands in our way”.*

In this captivating book, **Dr. Doreen Virtue** takes us on a spiritual adventure as she recounts her own life story of awakening her healing and clairvoyant power. She helps us reawaken the natural gifts that we have within us, heighten our psychic receptivity, and learn to communicate with the angels that are always by our side, ready to help and protect us.

You’ll also learn who the **lightworkers** are and why they came to Earth at this critical time. **Maybe you are one of them?** Your efforts combined with those of lightworkers can restore our planet to her natural state of harmony and radiant health.
