About the book **“Journey of Souls”**

by Michael Newton

Research **Groundbreaking** scientific **discoveries** that reveal the mystery of life in the spirit world after death on Earth—proof that our consciousness survives. This remarkable book was the first to fully explore **the mystery of life between lives**. They reveal graphic details about what the spirit world is really like, where we go and **what we do as souls**, and **why we come back** in certain bodies.

You will hear about:

- What you see and feel right after death*
- The truth about "spiritual guides"*
- Why you are assigned to certain soul groups, and what you do there*
- How you choose another body to return to Earth*
- The different levels of souls: beginning, intermediate, and advanced*
- When and where you first learn to recognize soul mates on Earth*
- The purpose of life*

**We invite all who like to listen to fascinating stories and
who are interested in adventurous reading**
