

Robert Monroe and his books

Awakening Discussions *on eye-opening books*

Robert Monroe was a **successful** and distinguished **business** executive, dedicated family man, and noted pioneer in the investigation of **human consciousness**. He also invented Hemi-Sync® and founded The Monroe Institute®, a worldwide organization dedicated to expanding **human potential**.

Journeys Out of the Body

In 1958, a successful businessman named Robert Monroe began to have experiences that drastically altered his life. Unpredictably, and without this willing it, Monroe found himself leaving his physical body to travel via a "second body" to locales far removed from the physical and spiritual realities of his life. He was inhabiting a place unbounded by life or death. His record of these explorations has comforted millions of people who have experienced paranormal incidents.

Far Journeys

With his classic and best-selling *Journeys Out of the Body*, Robert Monroe introduced readers to his remarkable excursions out-of-body and into outer consciousness. Now, after more than a decade of in-depth research, he presents a mesmerizing odyssey that takes you even farther beyond the known dimensions of the physical universe. With great insight and wit, Monroe offers new awareness into the untapped resources and limitless possibilities of the human mind.

Ultimate Journey

In a long awaited sequel, Monroe explores the incredibly rewarding opportunities that lie beyond the limits of the physical world. He charts the route that opens to us when we leave our physical lives and takes the reader with him on an exhilarating journey that expands the limits of human experience. This is a journey that reveals basic truths about the meaning and purpose of life - and of what lies beyond. *Ultimate Journey* is the masterwork of a daring and original thinker and explorer.
