

Awaken the Inner Healer in You

5 class workshop for energy therapy

with Natalia Remmy

Easy to learn, simple to use,
effective in healing

Each class features

- releasing pain and other health related symptoms by energy harmonizing
- improving your health, life circumstance, and relationships using the images of roses
- awakening the sensitivity of your hands and playing with energy
- and most important, gaining confidence in your ability to help others

The technique uses hands (touch free) as magical tools to release imbalance, and to deliver crystal clear energy of health directly from the Divine Source.

All 5 classes are parts of a complete module and should all be taken one by one.

*Tuition for the whole workshop is \$150. **Save \$30** and pay only **\$120** by registering before the first day of class. In comparison of \$500-800 that it costs usually to get a practical healing tool, it is really a good price.*
